

BEHIND THE CURTAIN - What goes on at a fleece show

This lecture will bring you "Behind The Curtain" and help defray the mysteries of what happens at a fleece show.

Show protocols, paperwork, volunteering and organization will be discussed.

The bulk of this lecture will cover the judging score sheet and what a judge is looking for when applying points.

Each scoring area will be reviewed with fiber samples or photos to help understand the values. Both suri and huacaya fleece will be covered.
